WANTED: SITE-SPECIFIC PERFORMANCE

Frankfurt am Main is going to get its own municipal theatre for children and young audiences in the Zoogesellschaftshaus.

Even before the actual conception and reconstruction phase of the building, "Starke Stücke" is looking for a production to be performed at the venue during the upcoming festival.

Festival period: 2nd – 14th July 2021

We are looking for a guest performance,

- that can be adapted to the site-specific conditions of the Zoogesellschaftshaus
- that can be played out in compliance with the applicable protective measures and with little technical effort

The guest performance should be adaptable for at least one or two "Starke Stücke" venues in the Rhine-Main region.

Our audience:

- The festival audience is mainly people between 2 and 16 years of age; preference is given to a production that works for many age groups and families.
- It is possible to include children and young people as direct participants in the concept.

We look forward to your concepts and productions. Deadline for applications is **1st December 2020**.

If you have any questions, please don't hesitate to contact the festival office.
